

Community Access National Network Board of Directors

Wayne A. Duffus, M.D., Ph.D.

Dr. Duffus graduated from the Albert Einstein College of Medicine, Bronx, NY with an MD degree and a PhD degree in Virology/Cell Biology. He completed residency training in Internal Medicine at the Columbia Presbyterian Medical Center in New York City, and fellowship training in Infectious Diseases at Emory University School of Medicine in Atlanta, Georgia. He subsequently worked as an Epidemic Intelligence Service Officer for the Centers for Disease Control and Prevention, and was stationed in Columbia, South Carolina. Dr. Duffus is currently an Associate Professor with the University of South Carolina, School of Medicine, and Infectious Diseases Division where he sees HIV/AIDS patients in the Ryan White Clinic. He is also affiliated with the Department of Health and Environmental Control as the Medical Director for the STD/HIV Division and the AIDS Drug Assistance Program pharmacy.
