## Community Access National Network to Host 5th Annual National Monitoring Report on HIV/HCV Co-Infection

*This year's report will be featured during HealthHIV's  
SYNChronicity 2020 in Washington, D.C.*

WASHINGTON, DC (January 23, 2020) – The Community Access National Network, otherwise known as CANN, today announced it would host its **5th Annual National Monitoring Report on HIV/HCV Co-Infection** during HealthHIV's *SYNChronicity*. The Annual National Monitoring Report on HIV/HCV Co-Infection will be featured during the pre-conference Institutes, held Sunday, May 10, 2020.

SYNC is the premier national conference focused on HIV, HCV, STI and LGBTQ health. At the 5th Annual Monitoring Report, patients, healthcare professionals and policy advocates will share their perspectives about issues impacting people living with HIV/AIDS and Hepatitis C.

Additional information will be made available in the coming weeks.

To learn more about SYNC, please visit <https://sync2020.org>.

For general information, please contact CANN at [info@tiicann.org](mailto:info@tiicann.org).

#####

***About the Community Access National Network:*** *The mission of the Community Access National Network (CANN) is to define, promote, and improve access to healthcare services and supports for people living with HIV/AIDS and/or Viral Hepatitis through advocacy, education, and networking. These services must be affordable to the people who need them regardless of insurance status, income, or geographic location.*
