## Community Access National Network to Host 7<sup>th</sup> Annual National Monitoring Report on HIV/HCV Co-Infection

*This year's report will be featured as a "teaser" session for HealthHIV's SYNChronicity 2022-2023*

WASHINGTON, DC (August 16, 2022) – The Community Access National Network, otherwise known as CANN, today announced it would host its **7th Annual National Monitoring Report on HIV/HCV Co-Infection** as a "teaser" session for HealthHIV's *SYNChronicity 2022-2023*. This year's National Monitoring Report on HIV/HCV Co-Infection will be held virtually on Wednesday, September 21, 2022. Registration is free for all interested stakeholders.

SYNC is the premier national conference focused on HIV, HCV, STI and LGBTQ health. During the SYNC teaser session, CANN will present its annual report on the state of co-infection in the United States, including a summary of the HIV/HCV Co-Infection Watch. HealthHCV will present data and implications from ongoing national trends, as shared by patients and providers.

To register for the Monitoring Report, visit <https://tinyurl.com/2zha58b8>.

For general information, please contact CANN at [info@tiicann.org](mailto:info@tiicann.org).

***About the Community Access National Network:*** *The mission of the Community Access National Network (CANN) is to define, promote, and improve access to healthcare services and supports for people living with HIV/AIDS and/or Viral Hepatitis through advocacy, education, and networking. These services must be affordable to the people who need them regardless of insurance status, income, or geographic location.*

***About HealthHIV:*** *HealthHIV advances effective prevention, care, support, and health equity for people living with, or at risk for, HIV and hepatitis C—particularly with LGBTQ and other underserved communities—by providing education, capacity building, health services research, and advocacy to organizations, communities and professionals.*
